

# **Analysis of Coffee Habits between Remote and In-person Workers**

Lixin Zhang   Siwen Yang   Jay Ashok  
Chauhan

# Outline

# Introduction

Introduction here

# Dataset Description

Dataset here

## **Respondents are grouped into:**

- Work from home
- Work in office
- Hybrid work

## **Survey focused on:**

- Daily coffee consumption
- Monthly coffee spending
- Highest price paid for one cup

## ■ **Overview of the Survey**

The data is from a research online held by James Hoffmann and coffee company Cometeer.

## ■ **Grouping & Analysis**

Table 1 Shows the number and proportion of participants in each work group.

Figure 1 Compares groups by daily consumption, monthly spending, highest paid price

## ■ **Further Analysis**
